To ensure that all interested FMHA members have a fair chance at obtaining a display table, the following guidelines have been established:

- Current FMHA members will have the first option to obtain a display table; non-members must join the association in order to be eligible for a display table.
- Tables are \$200 each for FMHA members for the duration of the Convention (does not include audio/visual requirements, electric services, etc.). Exhibitor fees must accompany your completed exhibit registration form. Exhibit fees do not include Convention registration.
- Tables will be awarded on a first come/first served basis and table placement will be assigned by a random drawing.
