General Information:

The FMHA Newsletter is the only current publication in Florida aimed specifically at those involved in the manufactured housing industry. It is the official publication of the Florida Manufactured Housing Association, which serves over 1,000 manufacturer, retailer, developer, filled park, service and supply firms, and finance and insurance firm members. The newsletter is published and distributed electronically to our members. A print version is also available for download from the electronic version or fmhamember.org.

Issue and Closing Dates:

The Newsletter is published electronically on approximately the 5th day of each month. Ad orders may not be canceled after this deadline has passed.

Billing Information:

It is FMHA's policy to extend credit and invoice members in good standing for their ads after the Newsletter has been published. FMHA reserves the right to ask for pre-payment of ads from non-members. Late payments may result in your next ad not being published.
