FMHA Membership has its privileges

- The FMHA Member website is powered by MemberClicks, the association industry's most powerful Association Management Software system.
- Our website offers many self-service and exclusive benefits that only members and/or their employees can take advantage of.
- To ensure only members receive these benefits, certain areas of our site require a valid log in.
- The pages in this guide will teach you how to log in and update your information, as well as take advantage of as many benefits as possible.
- The more you update and personalize your membership, the more value you will receive from us!

FMHAMember.org Homepage

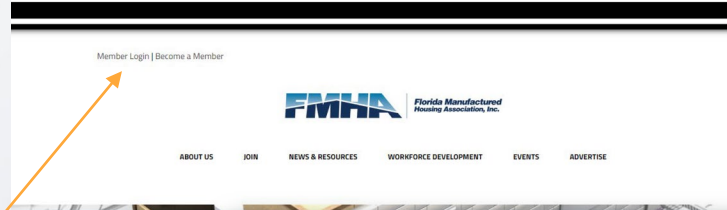

- There are many tabs/pages (i.e. About Us, Join) that the public can access.
- Members must log in to see member only pages (i.e. newsletters, member directory).
- Members must log in to access the member portal.

Log in to take control of your membership

- You need a username and password to gain access to our private Members Only Area.
- You will need to click ‘Member Login’ on the member website. This link takes you to the log in page. Initially when you log in you will need to click this link.
- The next screen will ask for your email address. An email will be sent to you to create a password.

Profile Update

The Profile Update link will open a page that allows you to update much of the information on your profile, as well as any other profile you are related to and have editing rights for. This helps us ensure we always have the latest information about you and your business.

You can edit the following information:

- Name, address, and other basic contact information
- Directory Listing category and descriptions
- Relationships you have to other profiles (including adding new profiles you are related to)
- Social media accounts
- View Invoices

How to update your contact information:

- You have the ability to edit your profile. Staff members who are marked as “Editor” are able to edit their related organization as well.
- If you have the right permissions, you can also edit the profiles related to your organization.
